RECRUITER WAIT

The psychological stages of waiting for a recruiter to reply.

Swipe to continue

STAGE 01

Minute 4:

Delusion.

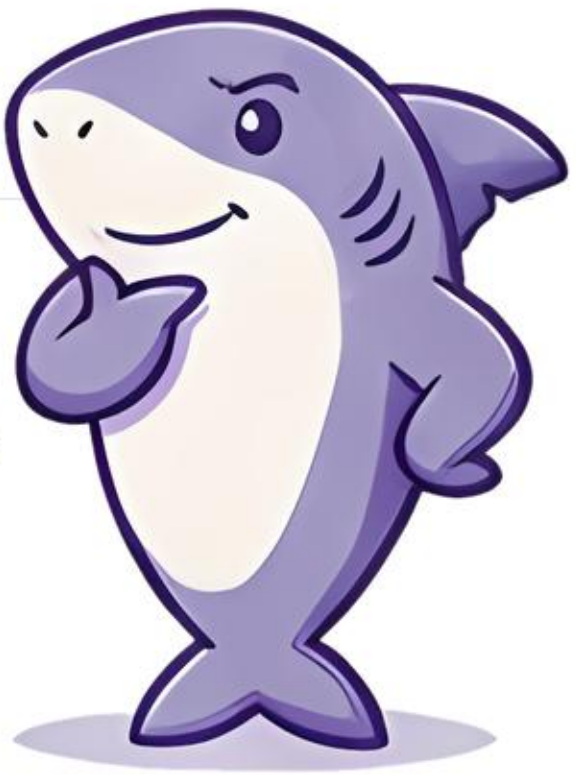

"Browsing apartments near their headquarters already."

The recruiter has not even finished their coffee.

STAGE 02

Day 2:
The Stalk.

"The hiring manager just posted a quote.
They are online."

Sent 38 hours ago.
Still unread.

STAGE 03

Day 6:

The Follow Up.

"Typing and deleting the same follow-up draft six times."

~~"Just bubbling this up!"~~

Stare at the ceiling for twenty straight minutes.
